

I'm Back!

I couldn't wait to see you today
I'm ready to watch you learn and play

Remember no touching at any cost
Or all my magic will be lost

Each night back to Santa I will go
If you're naughty or nice he will know

Best behavior and kindness, too
And Santa will come to visit you

Goodbye Friends!

It was time for me to leave you
It's something I have to do

Santa needs my help all year
My time to return was very clear

I'll be back next year you'll see
I hope you'll be waiting just like me

I'll miss you until it's Christmas again
Be good, be kind, I'll see you then
