

# Christmas Memory Game

**To Prepare:** Print out the pages and cut out the squares. For durability if you want to reuse them, print on card stock and laminate. Most office supply and copy stores can laminate.

**To Play:** Mix all the cards up and place them face down. Player 1 turns over 2 cards. If they match, the player keeps them and goes again. If not, the player turns them back over in the same spot and player 2 gets a turn. Keep going until all the cards are claimed. If you want to have a winner, it's the person with the most pairs.
