

# SALT DOUGH ORNAMENTS

**Ingredients:** 2 cups flour, 1 cup salt, 1 cup water

**Materials:** cookie cutters, straws

**Directions:**

1. Preheat oven to 250 F.
2. In a medium-sized bowl, add flour, salt and water. Mix until a dough is formed.
3. Roll out dough to about  $\frac{1}{4}$  inch thickness.
4. Use cookie cutters, handprints, or any other item to make the shape you want.
5. Use the straw to make a hole in the top for a ribbon to hang it with when it's done.
6. Bake for about 2 hours. Make sure dough is hard and there are no shiny or stick parts left.
7. Leave overnight before decorating. Acrylic paint works best. Cover with Mod Podge or acrylic sealer for a shine.
